

Home and School Association 2016-2017 Membership

The Saint Andrew Home and School Association is dedicated to assisting the pastor, principal, faculty and students with their mission to provide quality Catholic education rooted in the Gospel. Your membership in the Home and School Association helps us to achieve our goal by providing much needed support through the dedication of your time in the many volunteer positions we have in our organization. As well as through voluntary participation in fundraisers and activities we sponsor throughout the year.

Home and School Association dues are **\$25.00 annually**. Payment of these dues will entitle each family to a copy of the Home and School Directory published in the fall. The dues also help offset the costs of our school assemblies, Catholic School Week activities and activities throughout the year such as, Back to School Movie Night, The Live Nativity and trips to the aquarium.

Please return the form below with **\$25 cash or check made payable to St Andrew Home and School** on or before **October 7th**. Thank you in advance for your ongoing support.
