

Social Media

with Scratch

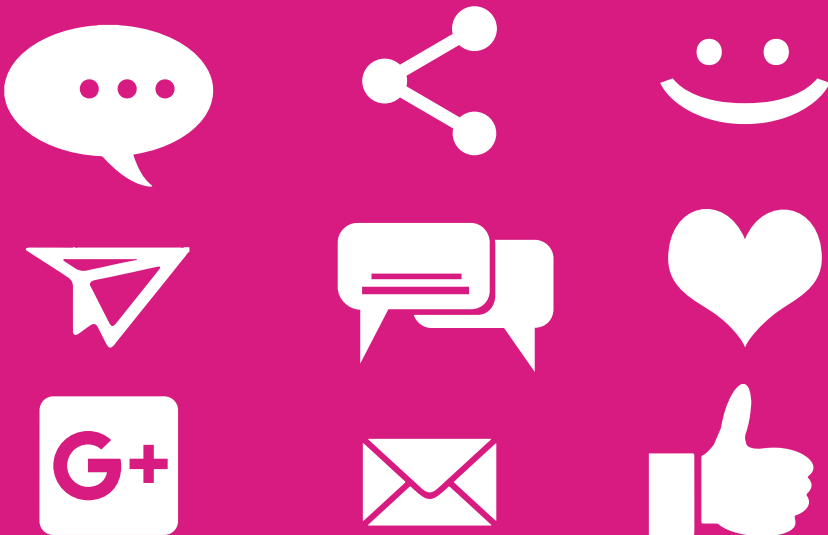

Create. Code. Share.

Connect with friends and family through your own digital creations!

Use the computer to design social games, apps, and animations to share with friends, family and your community. Learn how you can use technology to be social and have fun!

Bring your friends!

No previous computer science experience is necessary. Ask friends to join, too — the CS First Social Media club is social and fun!

Program Details

Teacher sponsor:

Ms. Zdinak

Contact info:

bzdinak@saintandrewschool.com
