

SCHOOL CLOSING/LATE OPENING INFORMATION

SAINT ANDREW SCHOOL CODE IS 448

In the event of bad weather, here are the various ways you can check on the status of our school's opening or closing:

***SchoolReach*
Instant Parent
Contact**

This is the telephone broadcast system that will enable our principal to notify parents/guardians of an unplanned event that causes early dismissal, late start or school cancellation. If your home, work, cell phone number or e-mail address should change, it is important that you immediately notify the school office. I can be reached at jcolden@saintandrewschool.com

TV

Watch NBC Channel 10, Action News Channel 6 or CBS Channel 3. These stations will publish school information on a crawl across the bottom of the TV screen.

Radio

Listen to KYW Newsradio (1060 on your AM dial).

Online

**You can access our school's opening/closing status on the following websites:
www.kywschools.com
www.6abc.com
www.nbc10.com**

Wireless Devices

The TV station websites allow you to register for notification of school closings or delays to be sent to your computer, pager or cell phone. Registration information can be found on their websites.

Telephone

If you are not near a TV or radio, you can call the KYW Newsradio School Closing Line (215-925-1060) and enter our school code. (448).

When bad weather is predicted, please go over the plans with your child(ren) regularly, and especially on the day bad weather is expected.

ONLY AS A LAST RESORT SHOULD YOU CALL THE SCHOOL OFFICE. We have one phone line, which must be kept open for us to keep in contact with various school district transportation departments and crossing guards.

When you want to know if the buses are running in the morning, here are the codes for the school districts:

Upper Darby	452 (or watch cable channel 11)
William Penn	467
Southeast Delco	464
Philadelphia	Listen for announcements re. Phila. Public Schools
Marple Newtown	454
Wallingford-Swarthmore	460
