

School Cancellation Due To Inclement Weather

Our school cancellation number, 448, will be announced over local news broadcasts if school is canceled or delayed due to inclement weather. An emergency call will be sent out to notify parents of cancellations, delays or early dismissals. This information will also be on the Saint Andrew Website (www.saintandrewschool.com). It is imperative that parents keep the main office updated as to changes in work/home/cell numbers. If numbers change, a note should be sent to the homeroom teacher who will forward it to the school office. The office will forward changes to all appropriate 'lists'.

When inclement weather is predicted, please go over the plans with your child (ren) regularly, especially on the day inclement weather is expected. **ONLY AS A LAST RESORT SHOULD YOU CALL THE SCHOOL OFFICE.**

When you want to know if the buses are running in the morning, here are the codes for the school districts:

Upper Darby	452 (or watch cable channel 11)
William Penn	467
Southeast Delco	464
Philadelphia	Listen for announcements re. Phila. Public Schools
Marple Newtown	454
Wallingford-Swarthmore	460
