

# GOOGLE CS FIRST SPORTS REGISTRATION

## Teamwork. Athletics. Coding.

Go for the win with computer science! Use computer science to simulate extreme sports, make your own fitness gadget commercial, and create commentary for a big sporting event. Learn about and use the tech concepts that are improving the sports you love. No experience necessary with computers or on the field. CS First Sports is fun for everyone! This club is offered for students in 4th - 8th grades.

Bring your friends! Past experience in CS First is encouraged. Ask friends to join - the Google CS First club is social and fun!

To register your child for the new session of Coding Club (Google CS First Sports) please fill out the form below and return it to school with the \$85 fee (cash or check) by 1/29/2019. Please put to Ms. Hart's attention.
